

NORRÄS RACING

Braaap Rules

and terms of use

- **USE YOUR BRAIN! ALWAYS!**
- You break it - You pay it!
- Your self-risk in the event of damage is a maximum of SEK 20,000. But remember that we have to pay for everything about it!
- If you destroy a snowmobile, the show is over! For reasons of driving safety and attention, we will end the arrangement for you!
- Take care of all the stuff we rent out to you. Googles, back protection, clothes, etc. . You scratch them or they are not longer possible to use, you have to pay the full price for it!
- The use of our snowmobiles is only permitted in connection with a guided tour! We regard solo trips as theft! Insurance does not apply.
- The speed limit for snowmobiles in Sweden is 70 km / h!
- Keep a safe distance from the snowmobile in front of you, trees, rocks, roads and possible hidden obstacles!
- Stay on the snowmobile track! Driving away from the designated tracks is only permitted after consultation!
- Before crossing a street, please double-check that your path is clear!
- At every turn, make sure that the driver behind you notices the change of direction!
- Usually use the snowmobile track as far to the right as you feel safe.
- Adjust the speed to the daily conditions, the traffic and the landscape!
- Always follow the guide! Especially when crossing frozen waters.
- You are 100% responsible for operating the snowmobile and following the rules!
